

R2000H

Versatile. Reliable. Economical.

The **MQ R2000H Tandem**

Drum ride-on roller is the most economical roller in its category. The static compaction provides application versatility allowing contractors to compact virtually any soil type and asphalt mix. The simplified operation of this roller makes it reliable and easy to use.

- **Reliable Honda GX240** engine offers easy starting and exceptionally quiet operation.
- **Convenient access to engine** places all filters and fluid drains within reach.
- **Premium cocoa mats** keep front and rear drums clean.
- **Split front drum** enables quick work on corners and curves without mat tearing.
- **Hydrostatic transmission** offers variable speed control in forward and reverse.
- **Automotive-type steering wheel** offers easy control over the roller.
- **Steering and drive lubrication points** are easily accessible.

WARRANTY:

R2000 - 1 year parts and labor. Contact Multiquip for complete warranty information.
Honda GX240 - 3 years. Please consult the manufacturer for warranty details and updates.

Specifications	R2000H
Operating Weight - lbs (kg)	1,382 (627)
Operating Weight Full Water Ballast - lbs (kg)	2,235 (1,014)
Length - in (mm)	73 (1,854)
Width - in (mm)	37 (940)
Height - in (mm)	51 (1,295)
Rolling Width Front - in (mm)	28 (711)
Rolling Width Rear - in (mm)	32 (813)
Roll Diameter Front - in (mm)	20 (508)
Roll Diameter Rear - in (mm)	24 (610)
Curb Clearance Right - in (mm)	3.25 (83)
Curb Clearance Left - in (mm)	9 (229)
Wall Clearance Right - in (mm)	3.25 (83)
Wall Clearance Left - in (mm)	1.75 (44)
Centrifugal Force - in (mm)	Static Weight
Travel Speed Forward/Reverse - in (mm)	5.6 (9)
Gradeability Maximum - (%)	15
Engine	
Engine Manufacturer	Honda GX240
Starting Method	Recoil/Electric
Operating Speed - (rpm)	3,600
Horse Power Rating - hp (kw)	7.9 (5.8)
Fuel Tank Capacity - gal (l)	1.6 (6.1)
Water System	
Water Tank Capacity - gal (l)	21 (79.5)
Front Ballast Water Capacity - gal (l)	30 (113.6)
Rear Ballast Water Capacity - gal (l)	51 (193)
